

Yard Maintenance Standards

- Grass: Well cared for, reasonably weed free and watered enough as not to become objectionable to neighboring properties.
- Mowing: Front yard, back yard and side yard and not exceeded 7" inch in height per Township Ordinance.
- Edging: Along Foundation, Sidewalk, driveway and curb, and where fences exist.
- Weed Control: Flowerbeds, non-lawn areas, and cracks of sidewalks, and driveways.
- Removal of dead plants, shrubs, trees in a timely manner.
- Trees, bushes, shrubs and other landscape items should have a cover of bark, mulch, or rock to suitable cover the ground area to reduce weed control problems.
